## COUNCIL COMMUNICATION

AGENDA TITLE: Set Public Hearing for April 3, 1991 to Amend Chapter 13.08 et seq. of the Lodi Municipal Code entitled "Water Service"

MEETING DATE: March 20, 1991

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council set a public hearing for April 3, 1991 to discuss recommended changes of the Lodi Municipal Code related to water service and water wasting.

BACKGROUND INFORMATION: The City Council, at its last meeting of March 6, 1991, directed staff to make certain modifications to the City Code related to water conservation. We have also been evaluating some other changes that need to be made to the water conservation portion of the City Code. Some of the changes that we will be bringing back to the City Council for their consideration on April 3 include such items as a restriction on watering hours, clarification on hand-watering and hand-washing vehicles, addition of an appeals section, modification to the fine structure, and establishment of water use restrictions during major water system emergencies. We will also be bringing back to the City Council alternative ways of reducing the number of watering days from four to three.

FUNDING: None required.
